

at home.

Kingfishers use your FLOURISH skills at home to create a masterpiece of your learning. Choose one task from the grid below.

Term 2: How will I survive		
I enjoy writing creatively	Write an acrostic poem about survival.	Use part of the story Kensuke's Kingdom and create a comic strip.
I enjoy learning about the world (geography, history, RE, languages)	Make a map of North and South America and label as many countries as you can remember. Can you make it 3D and include the surrounding seas?	Create a 'horrible history book' on facts you think would interest people about the Maya civilisation.
I enjoy using technology	Use Sketch up to create a Mayan temple.	'How to Survive'. Use powerpoint to create a presentation.
I enjoy being creative	Create a Mayan headdress or jewellery.	Transfer a Jerry Clovis design onto a T-shirt or canvas bag using fabric paint. Think about the design and plan how it will look.
I enjoy being practical	Make a survival box- include items that would be useful.	Create a miniature version of a leaf shelter in a shoe box.

Your FLOURISH at home needs to be in school the week beginning **Monday 11th December**. It will be shared 😊 and celebrated 😊.

Happy Creating 😊
