

at home.

Hummingbirds use your FLOURISH skills at home to create a masterpiece of your learning. Choose one task from the grid below.

Term 5: Do I like to be beside the seaside?		
I enjoy writing creatively	Write a playscript for a Punch and Judy style puppet show.	Create an advert/poster for Margate.
I enjoy learning about the world (geography, history, RE, languages)	Research what holidays were like in the Victorian times. Present however you like.	On a map of Great Britain mark all the seaside towns.
I enjoy using technology	Take a photograph of the same spot in your garden over the term (weekly) and mark the changes.	Make a video of how plants grow.
I enjoy being creative	Create a collage of the sea using different shades of blue.	Can you draw and paint some shells you have collected from the beach?
I enjoy being practical	Create a new flavour ice-cream. Write the recipe and perhaps make it for us all to try?	Create a new ride you could have at the beach.

Your FLOURISH at home needs to be in school the week beginning **Monday 20th May**. It will be shared😊 and celebrated😊.

Happy Creating 😊
