

at home.

Hummingbirds use your FLOURISH skills at home to create a masterpiece of your learning. Choose one task from the grid below.

Term 4: Could there be aliens out there?		
I enjoy writing creatively	Create a fact file about your favourite planet in the solar system.	Write a new ending for the story Look Up.
I enjoy learning about the world (geography, history, RE, languages)	Tell us what you have found out about animals in space?	Can you put space travel on a time line? Can you be creative in the way you do it?
I enjoy using technology	Take photographs of the night sky the same time each day for a week to show the star patterns and present your findings.	Use scratch programme to create a rocket launch.
I enjoy being creative	Have a go at marbling at home and create a picture that uses it.	Paint a space picture.
I enjoy being practical	Design and possibly make the rockets of the future.	Make an alien spaceship out of junk material or lego.

Your FLOURISH at home needs to be in school the week beginning **Monday 25th March**. It will be shared😊 and celebrated😊.

Happy Creating 😊
